# Highlights

## 100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the temperature dial.

## 100% fast

100% fast on the toughest fabrics, no other steam generator is faster from start to finish.

## 100% safe

### Never burn

100% safe on all fabrics, even the most delicate like silk, cashmere, wool or polyester. Some independent testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of the results.

## OptimalTemp Technology

OptimalTemp Technology from the PerfectCare Pressurised steam generator always delivers one perfect setting for all your clothes thanks to the: 1) Cyclonic steam chamber 2) Advanced Smart control processor

## Tested and approved by experts:

Tested and approved by independent textile experts institutes

## Easy De-Calc

Easy De-Calc, hassle-free and effective scale removal to extend the life of your steam generator.

## Lock your iron securely

### Carry lock

Lock your Philips steam iron securely and carry your pressurised steam generator easily.

## Silent steam

Silent steam Technology delivers the first quiet and powerful steam generator, enjoy the powerful ironing with minimum sound. Thanks to two important components in the steam generator and its base: 1) silencing steam filter 2) sound absorbing platform

## Up to 6.5 bars

Pressurised steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.
